5th CONGRESS OF ASIAN SOCIETY OF HEAD AND NECK ONCOLOGY (ASHNO)
In Conjunction With
5th ORL Head And Neck Conference &
2nd Congress Of Indonesian Head And Neck Oncologist Society

23—25 March 2017
Bali International Convention Centre, Indonesia

The Art Of Head and Neck Cancer Management

For more details, please visit: www.ashnocongress2017.com
Dear Delegates, Colleagues, and Friends

Bali, known also as "the Island of Gods", is one of more than 17.000 islands in the Indonesian archipelago. A tropical paradise that feels like a fantasy, where you can soak up underneath the sun on a fine stretch of the white sand, or commune with the tropical creatures. A blend of spectacular mountain sceneries and beautiful beaches with warm and friendly people. For these reasons, we would like to invite you all to explore the magical and mystical Bali where we host the 5th Congress of Asian Society of Head Neck Oncology in conjunction with 5th Otorhinolaryngology Head and Neck Oncology and with 2nd Indonesian Oncologist Head and Neck Society.

Bali’s cultural and natural diversity has inspired the Organizing Committee to choose the theme of this conference as "The Arts of Head and Neck Cancer Management ". The management of Head and Neck Cancer are multidiscipline, multimodality, yet personalized. Therefore, special tasks and knowledge are needed to treat the patients, such as skill from physic, psychology, empathy making our effort a special art form in its own respect.

The goal of the Conference is to bring together international groups of experts of Head and Neck Surgeons from ENT and surgical Oncology, radiologist, histopathologist, radiation Oncologist, medical Oncologist, nutritionist, rehabilitation and others to deepen our understanding of the disease in order to ease the patient’s burden and at the same time improve the outcome for patients with Head and Neck Cancers.

We have accumulated interesting scientific programs that will cover a wide range of sub-themes and selected topics related to Head and neck cancer. The Conference will be a catalyst for further interaction and collaboration among the participants. Organizing Committee will select the best 3 from U-40 research and case report, also for poster research and case report.

We hope that you will enjoy the conference and have a memorable time.

To our foreign participants, I would like to wish you " Selamat Datang" or a warm welcome, to Indonesia and particularly to the island of Bali, the world’s favorites destination for business, leisure and fun.

Marinda Adham, MD., PhD  
Chairman, Organizing Committee  
5th Congress of Asian Society Head and Neck Oncology  
5th Congress of ORL-Head and Neck Oncology  
2nd Congress of Indonesian Oncologist Head and Neck Society
Welcome Message from IFHNOS

Dear Friends and Colleagues,

On behalf of the International Federation of Head and Neck Oncologic Societies it is my distinct pleasure to invite you to the “5th Congress of Asian Society of Head and Neck Oncology (ASHNO) in conjunction with 5th Congress of ORL-Head and Neck Oncology, and 2nd Congress of Indonesian Head and Neck Oncologist Society” at Bali International Convention Center Indonesia from March 23-25, 2017.

Distinguished International speakers will share groundbreaking research findings and present original scientific works on the state of the art and new developments, covering a broad range of topics in Head and Neck Oncology. The format of the meeting will encourage interaction between all health care professionals and trainees from our specialty as well as from allied fields interested in Head and Neck Cancer, diagnosis, treatment, outcomes and frontiers in research. This feast of scientific and educational sessions planned during the congress will give you an excellent opportunity, to learn and exchange ideas and information in the frontiers of Head and Neck Oncology.

In addition our hosts have planned a wonderful social program showcasing the warm Indonesian hospitality with mouth watering cuisine, art and culture. Bali, the most precious of the 17000 islands in the Indonesian archipelago, is truly a Paradise on earth, offering an exciting and wonderful destination for rest and relaxation for you and your family. The Balinese art and history as well as the beauty of the beaches on this island are second to none. We hope that you will consider not only attending the congress but bringing your family to enjoy the amazing touristic pleasures and hospitality that Bali offers.

The International Federation of Head and Neck Oncologic Societies (IFHNOS), takes great pride in this congress of ASHNO and Indonesian Societies, organized by our Asian colleagues for the whole world to attend, enjoy and renew our friendships. I look forward to seeing you in Bali.

Professor Jatin Shah, MD, PhD(Hon), DSc(Hon), FACS, FRCS(Hon), FDSRCS(Hon), FRCDS(S Hon), FRACS(Hon)
Professor of Surgery, Memorial Sloan Kettering Cancer Center, New York.
CEO, IFHNOS
Welcome Message from President of ASHNO

Welcome to Asian Society of Head & Neck Oncology (ASHNO).

ASHNO is a multi-disciplinary society for head & neck oncology, which was initiated in 2008 by the strong leadership of Prof. Hao, the founding president & general secretary.

By the recent advances in medical sciences and technologies, now, multi-disciplinary approaches are required to enable the personalized therapy for the individual patients with head and neck cancers. As well known, head and neck cancers in Asian countries show different biological behaviors and characters from western countries in various aspects. Thus, it is really an important idea that all the countries in the Asian region gather and share our experiences and knowledge, in order to boost up our clinical practice to the next level, to promote clinical and basic researches and to raise the next generations.

Scientific meeting has been held every 2 year. First congress was held in Taipei (Taiwan 2009), 2nd in Goa (India 2011), 3rd in Cebu (Philippines 2013) and 4th in Kobe (Japan 2015). 5th congress will be held in Bali March 23 to 25, 2017 by the host of Prof. Marlinda Adham. I am looking forward to see many of you again in the beautiful island!

Ken-ichi Nibu, MD, PhD
